Percutaneous Treatment

Relapses/Follow-up of Relapses

Drug Trials

Vaccine Studies

Alveolar Echinococcosis

Dear distinguished members and colleagues,

We are pleased to be honoured to welcome you to the **11th National and 4th International Hydatidology Congress**, which will be held in **Edirne, Turkey** on **2 - 4 October 2024**, in cooperation with the Turkish Association of Hydatidology, Trakya University, Edirne Governorship, Balkan Cities Cooperation Edirne Platform and Edirne Municipality. Our congress will be held at Balkan Congress Center in Trakya University. Echinococcosis is one of the most important helminth diseases of our country due to human health, animal health and economic losses. We believe that our congress, which will include the latest developments, will contribute to producing solutions for human and animal health in our country, will be educational and guiding especially for young researchers and will be a good congress with its social activities. We would like to thank to the Governor of Edirne and President of the Balkan Cities Cooperation Edirne Platform, Mr. Yunus SEZER, the Rector of Trakya University, Prof. Dr. Erhan TABAKOĞLU, the Dean of Trakya University Faculty of Medicine, Prof. Dr. Filiz AKATA, the Mayor of Edirne, Atty. Filiz GENCAN AKIN, and the Deputy Mayor, Dr. Ertuğrul TANRIKULU, for their support in the organization of the congress. We believe that it will be an extremely useful exchange of information with the sessions, conferences and papers to be presented by our domestic and international participants in which all issues related to echinococcosis, which constitutes one of the most important economic and health problems of our country for years.

On the behalf of the Organizing Committee, I would like to express our happiness to be with you in this scientific and social sharing environment. We are looking forward to meeting you in Edirne, Turkey in October 2024.

Prof.Dr. Nazmiye ALTINTAS

President of World Association of Echinococcosis

President of Turkish Society of Hydatidology

President of the 11th National and 4th International Congress of Hydatidology

CALL for ABSTRACTS

All participants are cordially invited to present their research in the Congress. The Scientific Committee invites the submission of original abstracts for ORAL or POSTER presentation.

All abstracts submitted online will be reviewed by the Scientific Committee.

Presenters must definitely register. Only the accepted abstracts of fully registered and paid presenters can be included in the final scientific program.

The deadline for the submission of Abstracts is **August 31, 2024. Early submissions are highly encouraged.**

All accepted abstracts and full papers (will be published in the Congress and Abstracts Book (in USB).

The instructions for the submission of abstracts ;

The abstract must be submitted in **Turkish and English**

Submitting authors can choose their presentation preference: **“Conference”**, **“Round Table”**, **“Panel”** **“Oral”**, or **“Poster”**.

Maximum length for abstract is approximately 3000 characters.

Abstract should be Times New Roman typeface and type size 12 point.

Author’s names - Upper and lower case, surnames- UPPERCASE and please underline the presenting author.

The information of authors should be as it’s shown: “Name of University, Name of Faculty, Department, City, COUNTRY”

The title should accurately, clearly, and concisely reflect the importance and content of the study. Capital letters should be used unless the terms that must be written with lowercase letters are included.

The abstract should be structured according to the following headings: **“Objective”**, **“Material and Method”**, **“Results”** and **“Conclusion”**.

Abbreviations are allowed only when the spelled-out version was written initially in the text for the first time.

Abstracts should include references (maximum or key words (3 or 4).

Notification of the presentation will be mailed to the authors on 16 September 2024 and/or can follow the congress web page.

The presenting author of the presentation must register to the Congress before the final dates of registration. If not, the abstract will be extracted from the program even if it was accepted.

Oral presentations: Will be prepared in the Power Point program and will take place 10 minutes including discussion.

Posters: Suggested poster sizes: 70x100 cm.

PRIZES

During the Congress there will be awarded Prizes for ;

The best Oral and Poster presentations, in the categories: Epidemiology, Prevention and Control; Laboratory research; Diagnosis and Treatment in Humans and Animals.

The author who will present the paper must register to the Congress before the registration deadlines. Otherwise, even if the abstract is accepted, it will be removed from the program.

We kindly request you to send your abstracts as word files to the e-mail address below. All participants who will make presentations at the congress must send their receipts for paying the congress registration fees along with their summaries (by e-mail) to the address below by 31 August 2024. Otherwise, presentation summaries will not be included in the book.
